Grand Masti is all about a guy named Vijay, his wish of marrying his love, a girl named Reena, but the obstacle in his way is his sister. Grand Masti was a sensation and the movie let you move with the characters in the story as well as in the real life. Vijay's younger sister Anjali aka Anju (Deepika Padukone) is in love with Ramchandra and wants to marry him, but he is known for his fast-talking nature and could not resist giving Anju a strong piece of advice - by changing her name from Anju to Anjali in the community. She will have a different name. She cannot change. So she becomes Anjali (Deepika Padukone). Anjali is fond of the idea of changing her name, but her elder brother does not support her. Vijay's father who is the pride of the family loses his job and he has no other source of income. He decides to work in the sun. There, he meets Reena and he falls in love with her. Vijay is infuriated to learn that his elder sister wants to marry Ramchandra. He is too much in love with Reena, but soon he has to face a situation where he is forced to do sacrifice. It is hard to imagine that a girl who is famous for her beauty could attract him with a dowry of Rs. 50,000. But Vijay is not greedy and he happily accepts the marriage proposal. So, both Vijay and Anjali face a lot of troubles, but the poor, naive Anjali is no match for the cunning, treacherous Vijay. Exclusive on Jhankar Music Subscribe to jhankar.
