
Mados 8.1.0 Oreo Custom Rom For Coolpad Note3 Lite [MT6735]

No doubt this is the best Custom Rom for Coolpad Note 3 Lite. This Resurrection Rom is based on Android Oreo 8.1 and comes with all the latest features such as Light Picture, Soft Keyboard, Sticky notifications, Multi account support, Floating windows and many more. This Rom also works smoothly with all the applications. It also offers you some special features such as the ability to toggle the LED, Multitasking, Note taking, S.M.A.R.T Support, f.lux, DTS surround, Instant Shot, Picture scroll and many more. You will get the feel of a real Smartphone. The performance of the Rom is also good. So that's it. Now you got official Oreo ROM for Vernee Apollo Lite and X but beware we dont guarantee any bugs in this ROM. Some of the bugs are minor and some major problems. So if you found a bug there you can comment below. The version I am using in this guide is latest Mados Oreo. If you find any bugs in the guide then share it in the comments. Download Android Oreo_MT6735_KingRoot_custom_ROM.rar from this link. Extract the contents of the rar file and install it on your phone. When it finishes installing the system update your phone automatically. Ok now we are finished with installing Oreo on coolpad note 3. Feel free to share your opinion in the comment section of this guide. And don't forget to share the Android Oreo ROM on coolpad note 3. Thanks for reading. Both the lte and cdma of this Coolpad Note 3 Lite are supported. Apart from that, the phone has pretty good set of features. This phone is a great choice for all those, who want a device with good specs at affordable price.
